New Business:

The committee discussed the Analytical Problem Solving draft rubric. The question arose as to whether or not deriving the correct solution should be included in the rubric. The committee did not have an answer at this time. Prior to the next meeting, Cristy will adjust the language in this rubric to make it more consistent with the language of the other finalized draft rubrics (i.e., Effective Communication).

The committee discussed the Technology draft rubric. It was noted that while the “history of technology” was explicitly absent from the rubric, it could be included in the “social” issues area. Prior to the next meeting, Spike and Steve will review the draft rubric and provide feedback and/or alternative language.

The committee briefly discussed the Humanities Appreciation draft rubric. Valerie and Gwen will continue working on the draft rubrics for Humanities Appreciation and Creative Activities. These will be discussed further at the next meeting.

Kasthuri and Joyce will continue reviewing the Critical Thinking draft rubric prior to the next meeting.

It was decided the committee would meet again on Wednesday December 2, 2020 at 3:00 p.m.

Meeting adjourned at 4:05 p.m.
