New Business:

The committee briefly revisited the draft 8 core learning outcomes that were created last year. It was determined that before deciding how to adjust the existing draft core learning outcomes, the committee would need to review the previously approved (2018-2019?) general education mission statement. This statement could not be located at the time of the committee meeting, so Cristy will locate it for further discussion at the next committee meeting.

Meeting adjourned at 1:40 p.m.
