New Business:

Valerie was elected as the new committee chair beginning in the Fall 2021 semester.
Congratulations Val!

The committee finalized draft definitions and outcome statements for each of the three general education Core Learning Outcomes: critical thinking, integrative learning, and social and cultural perspectives. It was decided that these would be disseminated to all full-time faculty to solicit input prior to the end of the Spring 2021 semester or beginning of the Fall 2021 semester. Cristy will prepare a draft email for review at the committee's next meeting. After faculty input is received, then the committee will resume creating rubrics for each of these Core Learning Outcomes.

Meeting adjourned at 1:52 p.m.
