**TOTAL CREDITS 12**

# THE VALUE OF YOUR EDUCATION: ENGLISH (5-12) DEGREE

A secondary education degree from Montana State University – Northern prepares you for a rewarding career focusing on children in their formative years. Graduates with a BSEd English degree will be eligible for a recommendation for a Standard Class II Educator License.

Earning a secondary education English degree gives you a niche in the secondary education field. We find that there is a consistent demand for teachers, and our placement rate for new teachers is also consistently high. Between now and 2024, the Bureau of Labor Statistics projects an expected growth in the field that is above average compared to other professions.

## 15 TO FINISH

### WANT TO GRADUATE ON TIME? SAVE MONEY? GET BETTER GRADES?

# 15

You're going to need 15. That's the number of credits you need to take each semester to graduate on time. Sure, you can take less and still receive some scholarships and funding. But unless you take 15 credits a semester (or 30 a year), you're looking at an extra year or more in order to graduate. Know the courses you need to graduate, and meet with your advisor to map out a plan to earn your degree on time.
