## **Students Named to MSU-Northern's Spring Semester Dean's List**

The Montana State University-Northern's Spring semester Dean's List contains 335 students. To be included in the Dean's List, students must carry a minimum of 12 credits and earn a grade point average of 3.25 or better. Students that received a pass, incomplete or "F" during this semester are not included on the honor roll listing. The following list of students is organized alphabetically by hometown (please note that many students give a Havre address instead of a hometown address, and thus are listed in the Havre listing).
