Issues with Res Life	<p>Need to make a list of issues in the resident's halls that will be used to write a resolution to improve res life. Will be collecting written testimonies about what is going on in the dorms to attach with the resolution.</p> <ol style="list-style-type: none"> 1. Harlan's comments to students that are inappropriate. 2. Enforcing quiet hours before the posted time. 3. Harlan's intimidating and rude behavior towards students (write-up's getting excessive). 4. Non-student RD's (girls especially are uncomfortable). 5. Building segregation 6. Not being able to work on vehicles in parking lots (within reason) 7. Cops being called or threats to get the police involved 8. Need to have access to buildings during business hours 9. Afraid to leave dorms after a certain time (10pm or earlier). Write-ups and intimidation fallow. 10. Students need to be treated as adults not children.
----------------------	---

	11. RD's dodge maintenance concerns. Need to look in handbook to find the definition of residence hall (for George).
Rob Par (Guest Presentation)	Ambassadors are doing a candy cane gram fundraiser. Will run from Thanksgiving to finals week. Would like it to be on student activity calendar. Would like senate to advertise, run through IOC.
George Toscano (Guest Presentation)	Haunted house in abandoned wing of Morgan. Running 10/26/18-10/28/18. RA's and RD will be running it and setting it up. They are brainstorming ideas currently. Key requests have been sent in, will hopefully get to see the space soon.
